1. We believe that the very breath of God and His life flows through us. We choose to be serious about living this resurrection life. We choose not to shuffle along with our eyes to the ground, absorbed with the things right in front of us. But we choose to look up, to be alert to what is going on all around us.
2. We want you to have run of the house, run of our house. You have the run of our kingdom; we entrust our kingdom to you. We choose to serve our earthly masters, to not just do the minimum that will get us by, but to do our best, to work from the heart – for the real Master. For we know that the work we do for our earthly masters is work from the heart for our real Master.
3. We choose to pray diligently, to stay alert; we choose to have our hearts and eyes wide open to you. We choose gratitude. We receive you afresh today. We receive you, Jesus: your life, death, resurrection, and ascension. We choose to receive you, Father: your generosity, your abundance. You're everything that we need and more. We choose to receive you, Holy Spirit: your guidance, your leadership, your love, and your joy. God, you have our yes; we choose to respond to your way in our life.
